We the age that mothafuckers don't care about us
We just let mothafuckas know we coming
It's real, it's a real mothafuckin' movement
Whether you like it or not
We're supportin' a real mothafuckin' movement, man
It's cleveland man

I am the alpha omega, black flag swinger
Fuck a driveway I'm in airplane hangers
Me and my gang poppin' champagne like players
For all of them days with no lights and no cable

No one can save you, my city's fatal
Make it up out of it how can they hate you?
C-L-E-V-E-L-A-N-D's the greatEST
I'll light this bitch up make it look like its Vegas

We on, mufucka we on
The first one to blow since Bone
Thinking back when I had a back pack full of fat raps
Didn't no one wanna hear my song

Mufucka y'all wrong, mufucka y'all wrong Made it and I never left home Where I'm from enemies bust off their shells like King Koopa Roll through these streets come up gone like Bermuda

I'm just a boy in the hood like I'm Cuba So soon as I moved out I bought me a Ruger You come to my house you blow loud as a tuba I bring your bitch here, she'll go down like a scuba

All of y'all shits out of style like a scooter Put all of y'all shits in the ditch like a sewer Make all of y'all bow like my name is Anubis Talk out your medulla get hit with bazookas

(Bitch!)
I am the alpha, I am the omega
(What?)
I am the alpha, I am the omega
(Ahh!)
I am the alpha, I am the omega
(Ay!)
I am the alpha, I am the omega

If you ain't living your life then you're dead And sleep is its cousin so I shot my bed Paranoia got me using these meds
Now I'm Smokey as Chris on a Friday like Craig

Retract that statement, I'm stoney as Fred Evacuate when my homies get mad You better pray to your God for a blessing Before they make your world look like Armageddon

Knew I was trouble since I was 11

Ripped up my jeans and I bought me a leather My friends saw me as a King like Coretta My dad saw his son as a nuisance, a rebel, and (ahh!)

My music sounds like the devil
Turn that shit off or get out of my temple
Right after that he'd go back to his Kettle One vodka
And drink it all up till he's mental

I have no issue, I am official Let them come at me I practice Jiu Jitsu Only fear two things with three letters dawg That's G-O-D, God and my fucking initials

Doctors called up to the news to report to them what they discovered Said I'm the first of a species that they call a real muthafucka, (Kells) And I'm sorry if you get a lot of hits from all my followers If you acknowledge us in any other way then positive

But you shouldn't be hollering or talking about Superman When you're living in Metropolis
And if you follow astronomy I'm a Taurus
That means I don't give a fuck what you thought of me

I walk into an interview looking like a lobotomy Flipping my middle finger at everybody who watching us, (uh) Fuck that bring the beat back Kill this instrumental leave the body where the reef at

Nah, fuck that where the keef at Sprinkle a little bit on a quarter of my weed sack Give me a minute I took a hit I'm tryna focus like astigmatism My competition on my dick, they're like the zip on my denim

They want the heat I light em up like I put cigarettes in 'em You bitch, whats your religion?

I wanna know what God you're seeing in a couple of seconds

I wanna see the criticism bout my lyricism

When I'm in your face rippin' this rhythm up like canabalism

Its Kells

(Bitch!)
I am the alpha, I am the omega
(What?)
I am the alpha, I am the omega
(Ahh!)
I am the alpha, I am the omega
(Ay!)
I am the alpha, I am the omega

I am the alpha omega, the fuck is you saying? I am the alpha omega, the fuck is you saying? I am the alpha omega, the fuck is you saying? EST run shit you better quit playing They start a war if you mention my name I'm the alpha omega Beginning and end
