

# Black Tuxedo

Machine Gun Kelly

Uh, grilled cheese with no ham,  
Lookin at my life like God damn,  
I came from nothing no lie,  
Bitch, now I want a piece of that pie that's why it's,

All black tuxedos,  
All black tuxedos,  
No hand me down's no more it's just all black tuxedo's,  
All black tuxedos,  
All black tuxedos,  
I came from nothing no lie,  
Now it's all black tuxedos,

Handshakes don't make friends boy,  
Laziness don't make rent boy,  
Shaker grad with no plans boy,  
Single dad with no ends boy,  
Now I only fuck 10's boy,  
Life's a movie no lens boy,  
Took it from the cement boy,  
And I still kept it Cleveland boy,

I come straight from the bottom just to get high at the top,  
I got all of the juice somebody grab me a mop,  
Real recognize real, look me dead in the eyes,  
Calamari and steak, no more burgers and fries,  
Cliquot keep me pissy, all my ex-hoes miss me,  
Black Benz, that big body I call that bitch Missy,  
Big bank take little bank, fuck what ya think,  
You don't grind you don't shine,  
You don't grind you don't shine, Tezo,

All black tuxedos,  
All my bitches wear speedos,  
Mobbed up like Sonny,  
Wackin all of you weasels,  
And I'm riding dirty, 4 wheels,  
Smoking something illegal,  
In the rear view is them people,  
But it's fuck the law we don't see em,  
I like my weed real loud, champagne cold,  
I've been killin this shit since 17 years old,  
Used to turn on the lights I saw nothing but roaches,  
Now I turn on the lights I see Bentley's and Porsches, God damn,

Uh, grilled cheese with no ham,  
Lookin at my life like God damn,  
Uh, I came from nothing no lie,  
Bitch, now I want a piece of that pie that's why it's,  
All black tuxedo's...
