

# End Of The Road

Machine Gun Kelly

Ohhhh Yeah  
It's a long way home  
At the end of the road  
I'll be pavin' my own way  
To the top I'll be here to stay  
So take my name  
Remember this face  
Keep the change and have a nice day  
And live for the moment not by the past  
Homie live each day like it's your last

Yeah  
All my life  
I couldn't fit in like a bad shoe  
I was always too square, too cube  
Too tall, too weird, too blue  
Forget them highschool hotties  
Now I'm too cool  
I guess I came a long way from that young kid  
The schools most popular lame  
No friends  
No style, no clothes, no ends  
Just a bed for sleepin never woke up again  
Yeah, and my last prayer  
Was don't ever let me end up 1  
Like the people that's down here  
Cuz the ones that fear change  
Be the ones that don't care  
Look at themselves  
And see somebody else in the mirror  
But you could always pick me out of the crowd  
Loud mouth with my very own style  
And what I know now  
Is don't ever pretend  
And live every single day like you won't see it again

So take my name  
Remember this face  
Keep the change and have a nice day  
And live for the moment not by the past  
Homie live each day like it's your last  
And if you only had 24 hours  
And 1400 minutes  
Before your dreams gone  
Then you better go live it  
Cuz whatever you love  
Could be taken away  
So live like it's your dyin day

I dedicate this  
To my teachers that never believed in me  
And the mother that conceived  
But ended up leaving me  
I just wish y'all could see me smile  
This big grin's on the TV now  
Uh, and I took it from the bottom to the top  
From the holes in my socks

Ramen noodles in the pot  
Used to rob 'em on the block  
Now they spot me in the drop  
Middle finger up  
and that ain't gon' stop  
I used to take orders  
And now I make bets  
I used to scrub floors  
And now I sign checks  
I used to push carts  
Now I push songs  
Yeah I used to be there  
Now I am so gone  
I'm fine myself  
Found a job myself  
Established my name  
Then I signed myself  
And what I tell myself  
Is you did this by yourself  
And when I'm on so long  
I'll be by myself  
I'm gone

So take my name  
Remember this face  
Keep the change and have a nice day  
And live for the moment not by the past  
Homie live each day like it's your last  
And If you only had 24 hours  
And 1400 minutes  
Before your dreams gone  
Then you better go live it  
Cuz whatever you love  
Could be taken away  
So live like its your dyin day

I wish I could see their faces  
When they heard your boy spittin  
Wish I could know what they thinkin  
When they heard my first hit  
Cuz I remember them wishin  
That I wouldnt get big  
Now i bet they wishin they wouldn't have said that shit  
I came out of a dying city  
Brought back life  
Everything they said I couldnt do  
I did 'bout twice  
Multiply that by the battles that we popped each night  
That equals out to a celebration  
Bitches more ice  
Make a toast to the underdogs  
Toast to the team  
Toast to the fact we this close to the dream  
Pour one for my exes  
Used to talk wreckless  
But now I push benz's  
And rock rolex's  
Came from the city  
And untill they come and get me  
Turn around and see the whole east side still with me  
And thats how we livin  
Ya mans dont change  
Look its still the kid

Still cant tell me god damn thing

So take my name  
Remember this face  
Keep the change and have a nice day  
And live for the moment not by the past  
Homie live each day like it's your last  
And If you only had 24 hours
