Lately I've been having crazy thoughts (yeah)
The way I'm living, shit get crazy dark
Tell me lately, why we petty talk (why)
And you know I'm tryna change, but it's very hard

Life's been getting to me, I just started smoking squares (I'm stressed)
But they ain't getting in my circle, though we still prepared (forreal)
I'm still dealing with some demons that ain't really there
Grew up a screw up, pierced my ear and dyed my fucking hair
In 7th grade I didn't have a bed, I had a chair (forreal)
The fuck you think I go so hard for, I got out of there (I'm gone)
Have you ever had somebody try to take your life? (huh?)
Sometimes I ain't safe from myself when I stay up at night

Lately I've been having crazy thoughts (yeah)
The way I'm living, shit get crazy dark
Tell me lately, why we petty talk (why)
And you know I'm tryna change, but it's very hard

Look, I promised myself I ain't never going home (not at all)
9 years old, my momma left me in the cold (god damn)
Ayy, what do you think that type of shit do to your soul?
Found someone that finally loved me, still I treat her like a hoe (that shit
is fucked up)
Damn, it'd be the shit that they don't know (that they don't know)
I only smile in public just for show
I know they tried to warn me 'bout my ghost
You know them kids be with the 'ye and now them kids be seeing ghosts

Lately I've been having crazy thoughts (yeah)
The way I'm living, shit get crazy dark
Tell me lately, why we petty talk (why)
And you know I'm tryna change, but it's very hard
Lately I've been having crazy thoughts (yeah)
The way I'm living, shit get crazy dark
Tell me lately, why we petty talk (why)
And you know I'm tryna change, but it's very hard

Uh, ayy, yeah, them demons ain't the only ones that's up at night
Huh, yeah, ayy
Uh, ayy, yeah, them demons ain't the only ones that's up at night
(Just disappears the mark of a human being)
(My demons, god save us)
Them demons ain't the only ones that's up at night
