

On Fire (drug Dealer Girl Part II)

Machine Gun Kelly

I ain't gonna lie, I'm feeling cause I need it
And I'm digging you a lot, now you still catching feelings
But I'm filling on your spots, no kidding when I hit it
I be licking on your spot, playing with your mind
I ain't gonna stop, when I finish I'll be I'll be fucking with the likes on,
that's the shit that I'm on
Give it all I got, your body and my body be Scratching up

Hey la, hey la,
Where we going? nobody doesn't know but you
Ain't nobody gonna see you
Cause I, cause I, cause I,
Hey la, hey la,
Where we going? nobody doesn't know but you
Ain't nobody gonna see you
Cause I, cause I, cause I,

Surely you should know about me
Is I never play to loose
Always aim high and rally obey the rules
Never tell my bizness if I did it make the news
They say time is like money
You should come here pay your dues
And come and get it, can I get a minute?
Maybe an hour,
Would you let me beat my head in for a second while you shower
I bet you guys on real good power if you feel me
I'm on some marvin gaye you know just what's gonna hear me baby

Hey la, hey la,
Where we going? nobody doesn't know but you
Ain't nobody gonna see you
Cause I, cause I, cause I,
Hey la, hey la,
Where we going? nobody doesn't know but you
Ain't nobody gonna see you
Cause I, cause I, cause I,

I said, excuse me mr officer, can you go undercover for me
Ain't enough, look it in your cup,
With the waitress sat in his lap, pour it up
I'm trying to get too drunk as fuck
Take her to my crib then I lock her in them handcuffs
stupid booty, ready for war, call it duty
She said I got the right to remain silent
And I gotta give it to her rough
But I better not get violent
Girl my tank feel like an anchor
And when I told you to use your hair
I ain't want you to be no And we Well I'm counting up all this paper
And my ear shine like twinkle, twinkle
Bitch my car, I don't valee that
You a weak nigger And I'm loyal to my fans cause I love them
So girl if you a fan you can meet me undercover, like

Hey la, hey la,
Where we going? nobody doesn't know but you

Ain't nobody gonna see you
Cause I, cause I, cause I,
Hey la, hey la,
Where we going? nobody doesn't know but you
Ain't nobody gonna see you
Cause I, cause I, cause I.
