## Machine Gun Kelly

Early morning cutting corners  
Rolling up this marijuana  
Stole it straight from California homie what do you got on it?  
My cup holder filled with Tropicana  
Couple grams of Aunt Jemima  
In my hand like candid camera  
Vibing to that Country Grammar  
Pulling up to Grandma's  
I smell bacon, eggs thats scrambled  
Hoppin out then ol' boy ran up  
My dog grabbed the mc hammer  
\*blammer\* \*blammer\*  
Make him dance  
And watch him run up out their sandals,  
But fuck all that where's my sandwich  
Let's blaze up and change the channels  
Look on TV and I see me  
With that Chief Wahoo on my beanie  
"Wild Boy" video on repeat  
Only white boy on BET  
EZ Widens + hydroponics  
Roll one tall as Spike Lee  
You ain't never seen a muthafucka do it like me  
Kells

Oz. in my pocket, ducking the cops  
Came from the bottom now I get high at the top

Rolling out, smoking up  
Cleveland boys don't give a fuck  
1800 fill my cup  
Being sober sucks  
I'ma spend a hundred bucks on a Oz  
Gotta call Big Chuck he the OG  
And get a zone for the low cause I'm lil bro  
Everybody on the Eastside know me  
Westside get it cracking and the fact of the matter is  
Whether I'm standing on Denison Ave or I'm in the Valley  
I'm bringing a Grammy back to the city this is the anthem  
Have P. Diddy on St. Clair dancing  
Kells  
Used to ride the RTA  
\$1.50 every meter  
Food wasn't guaranteed I stole my meals out of Arabica  
Speakers blasting my own shit  
Bow tie on the jet on my grown shit  
Court side at the game with the owner  
And sell the same arena out when I'm homesick  
God damn I'm a fool  
Couple hundred diamonds in the tooth  
Couple hundred bitches in the pool  
And out of a couple hundred rappers I am the truth  
That's why I get a couple hundred when I'm in the booth  
Still I keep that

Oz. in my pocket, ducking the cops

Swooped up Slim off of Harvard  
Drove down Dove to see Casie
