

State Of Mind

Machine Gun Kelly

Look

Who the muthafucka still broke? (You!)
Never hustled, never will blow? (You!)
Who's the latest underrated in the game? And who's the greatest
the answer was... y'all know.. (Kels)
Who the muthafucka still broke? (You!)
Never hustled, never will blow? (You!)
Who the latest underrated in the game? And who the greatest the
answer was my name.. I know.. (True!)

Cleveland got my back I put the weight of that on my shoulder
Im insomniac so can't take a nap when Im sober
They say sleep is the devil, I just made friends with Jehovah
Stop sleepin on me, I just broke bread with Hova
Im alkin jigga man, hunnid fuckin million man
Hunnid hustlers at Puff's crib, so civilians there
Do not get it twisted cause I never post up pictures man
I'm livin the life you haters picture on the Instagram
Now these rappers tryna floss I see
Flirtin with temptation, they Diana Ross I see
And I heard them names was fake and must've lost I.D.,
And they must be employees cause they ain't BOSS LIKE ME, (Kels
!)

I call up Flex he drop a bomb on it, pick the song, bet I get e
veryone and they mom on it
In the city I bet I show up and there's people screamin
And that's Any Given Sunday I call that Willy Beaman
And Im really speedin, lot of warnin signs I ain't really readi
n
People wanna sign like Im L.A. Reid and Im smokin this L.A. wee
d while Im duckin L.A.P.D. fuckin hoes you see L.A. foreign exc
hange students European
Champagne is European, all of my bitches peein, eleven hunnid d
ollars now my toilet is Veuve Clicquot
I just called up The Weeknd and told him call off the weekend
I'll call a hunnid bitches and all of 'em Puerto Rican
I am the Wolf on Wall Street, Penny Stock Flippa
One that ran up in Interscope and left with seven figures
Managed to keep it real in every one of his lyrics, now I can't
say it but you know Im that muhfuckin..... (yeah yeah)
Fuck a magazine we load a magazine in the clip
I ain't average man I produce gasoline when I spit
Put fire verses on trampolines and I make a flip
Life on the edge like I build a Messoline in a cliff
Im just talkin now cause it ain't even ten in the mornin
That means I wrote this shit the same time everybody yawnin
That means while you was eatin cereal I was recordin

Im 23 and in my prime that means Im Michael Jordan

Who the muthafucka still broke? (You!)

Never hustled, never will blow? (You!)

Who's the latest underrated in the game? And who's the greatest
the answer's my muthafuckin name!
