

# All Falls Down

Machine Head

Anticipating, salivating, intoxicating  
How I've been waiting  
To gently soak in  
Your dream that's broken  
Caress my hands  
Around your throat  
When I choke the last gasp of air out of you

I'll mesmerize you, hypnotize you  
Paralyze you, my snake eyes blind you  
My tenderest tickle, my gentlest prickle  
The back of your neck  
I stab icicles

My sweetest grin will pull you in  
Behind that grin a razor teeth smile  
Under your bed  
Inside your head  
I am the monster in wait

Walk, run  
I'm the fear you've become  
Pray, hope  
Before it's your  
Downfall, and all falls down

I patronize you, victimize you  
My false pretenses endear me to you  
I'm psychopathic, psychosomatic  
Believe everything you've heard about me

Ate you alive since you were a child  
That's when the monster first appeared to you  
So know my name  
What is my name?  
My name is fear and I'm you

Walk, run  
I'm the fear you've become  
Pray, hope  
Before it's your  
Downfall, and all falls down

With faith I crawl  
In sadness, I fear what I've become  
'Cause after all  
I'm acting, pretend my smile on  
Before the fall  
The pain washes over  
Hold on, hold on  
Survive  
Survive  
This

Walk, run  
Free the fear you've become  
Fight back

Before it's your  
Downfall, and all falls down
