## **All Falls Down**

## **Machine Head**

Anticipating, salivating, intoxicating
How I've been waiting
To gently soak in
Your dream that's broken
Caress my hands
Around your throat
When I choke the last gasp of air out of you

I'll mesmerize you, hypnotize you
Paralyze you, my snake eyes blind you
My tenderest tickle, my gentlest prickle
The back of your neck
I stab icicles

My sweetest grin will pull you in Behind that grin a razor teeth smile Under your bed Inside your head I am the monster in wait

Walk, run
I'm the fear you've become
Pray, hope
Before it's your
Downfall, and all falls down

I patronize you, victimize you
My false pretenses endear me to you
I'm psychopathic, psychosomatic
Believe everything you've heard about me

Ate you alive since you were a child That's when the monster first appeared to you So know my name What is my name?
My name is fear and I'm you

Walk, run
I'm the fear you've become
Pray, hope
Before it's your
Downfall, and all falls down

With faith I crawl
In sadness, I fear what I've become
'Cause after all
I'm acting, pretend my smile on
Before the fall
The pain washes over
Hold on, hold on
Survive
Survive
This

Walk, run
Free the fear you've become
Fight back

Before it's your Downfall, and all falls down
