

Message in a Bottle

Machine Head

Just a castaway
An island lost at sea
Another lonely day
There's no one here but me
More loneliness
Than any man could bear
Rescue me before I fall into despair

I'll send an SOS to the world
I'll send an SOS to the world
I hope that someone gets my
I hope that someone gets my
I hope that someone gets my
Message in a bottle

A year has passed since I wrote my notes
But I should have known this right from the start
Only hope can keep us together
Love can mend your life
But love can break your heart

I'll send an SOS to the world
I'll send an SOS to the world
I hope that someone gets my
I hope that someone gets my
I hope that someone gets my
Message in a bottle
