Gangsta?
Mikkey Finest
Ah King Pin's Dream
Mack 10, Inglewood
I'm nigga Mikkey
Chi-Town, Birdman
Listen, whatcha got nigga?

I got a trouble find bitches in the kitchen and they cooking it row Realisting feams like stitches with the hooker in they chow Fuck the law, man, I'm known for cooking it row 'Til the cops just chill, I got something for y'all

I got a Bentley and the Hummer and they sittin on 'em daters I got a hot power lawyer with the million retater South-South, Westside, man, I own my city Got judges on my pay roll like [Incomprehensible]

International with my game, I ball with the best Birdman, Down-South, Mack 10 out West Fuck with my money, put to put the mack to yo' chest Want war? I take it there or rather tattooed to there

See them Cash Money niggas, how can I iced like 'em Cooking coke from the pill-up, it's got a prices like 'em You know a nigga wheel slip, I got a wife like him You heard a Micheal Jordan right, I got a life like him

I'ma mothafuckin' hustla, y'all know the game Chi-Town Mikkey Flow, y'all know my name Game is risky but a nigga rather died the fame And live life, broken hungry out here, cracking for bread

It's a King Pin's Dream, coke and feminines
Belley's on triple beams, got scuffles with triple feams
So, busting out the scene, guns, scopes and beems
But the thing about it dream, it ain't all watta seem

It's a King Pin's Dream, coke and feminines
Belley's on triple beams, got scuffles with triple feams
So, busting out the scene, guns, scopes and beems
But the thing about it dream, it ain't all watta seem

When it comes to drugs, these reppers ain't get none but fo'
Oh square ass nigga and full of brains are sold
I know 'em Feds is on heat but I don't give a fuck
I'm so deep in the game it's like my name is stuck

From crack, more then likey is a suggestion of sell I gives a fuck, who ya breaking and disso skell I live life like a King Pin weed but raw I'm the richest gang living them niggas ever saw

I with ya belly from Toyota with the biggest and baking soda Pirates po's full of peppers and crack folders I'ma dope dealer and I got coke scrilla My whole crew can sit to at X-Cons and killas And my bitches is falls who bomb, head and coochie Rockin' props, the fades, the letto pump boochie First statis, rock rolo, when I came to the door? And now it's Bentleys, Mansions and meats to the floor

Kickin' gears on Parley's, while the straight pipe screen And I had a block on lock, since I was fifteen Mack Sapranos, the most of unforgiven And fuck a job, 'cause dope money is how I'm living

It's a King Pin's Dream, coke and feminines
Belley's on triple beams, got scuffles with triple feams
So, busting out the scene, guns, scopes and beems
But the thing about it dream, it ain't all watta seem
