

Ghetto Love

Macy Gray

Lately I been high stepping
I gotta lover who is ghetto for real
Take me to movies and he's carrying steel
Lord of the corner, king of the block
Lacing his lady with chinchillas and rocks
And he's all, (Come in, commit) all, all I want in my world

Ghetto Love
G-H-E-T-T-O, G-H-E-T-T-O
We get high together
G-H-E-T-T-O, G-H-E-T-T-O
Lately I been high stepping
Lord of my body, king of my heart
Gangster by day, Hennesy passion by dark
They try to beat us but they can't
We don't give a f...
They try to beat us but they can't
We don't give a f...
And he's all I want in my world
Ghetto Love
G-H-E-T-T-O, G-H-E-T-T-O
We get high together
G-H-E-T-T-O, G-H-E-T-T-O
Ghetto Love

I never worry when he's gone 'till November
He taught me how to keep my hand on the trigger

G-H-E-T-T-O, G-H-E-T-T-O, G-H-E-T-T-O
We get high together
Ghetto Love, we get high
Lacing his lady with chinchillas and rocks
Ghetto Love
G-H-E-T-T-O, G-H-E-T-T-O, G-H-E-T-T-O
They try to beat us but they can't
We don't give a f...
Ghetto Love
I want in my world
G-H-E-T-T-O, G-H-E-T-T-O
Ghetto Love
I want in my world
