

My Nutmeg Phantasy

Macy Gray

Nutty nutmeg phantasy
Can't you see you and me
In my nutty nutmeg phantasy
Nutty nutmeg phantasy
You and me
Can't you see
You and me
In my nutty nutmeg

Baby I know we had a bad day
You are so mad at me
It don't mean we have to mope around
Picture us on the moon
Happy like a cartoon
Believe in love and it will come down

Nutty nutmeg phantasy
Can't you see you and me
In my nutty nutmeg phantasy
Nutty nutmeg phantasy
You and me
Can't you see
You and me
In my nutty nutmeg

Picture if I was understanding
And you were less demanding
And the only time we scream and shout
Is when we're making love babe
On top of cloud 8
Believe in love and it will come down

Nutty nutmeg phantasy
Can't you see you and me
In my nutty nutmeg phantasy
Nutty nutmeg phantasy
You and me
Can't you see
You and me
In my nutty nutmeg

Imagine and maybe it will happen
You and me till the end
May be a dream but it's real to me
Chocolate covered roses
Love in massive doses
In my nutmeg phanta-ta-sy

Nutty nutmeg phantasy
Can't you see you and me
In my nutty nutmeg phantasy
Nutty nutmeg phantasy
You and me
Can't you see
You and me
In my nutty nutmeg
