

# Stalker

Macy Gray

People say that I'm your stalker, the way I follow you 'round  
You are the only thing that I talk about when I'm talking  
Say my affection (My affection) is too much, you say it's smothering  
And that may be so but who's gonna love you like I do if I go?  
Just like the ocean needs the water and the sea needs a breeze  
Baby, you need me

I am your submissive ho, I am your desperate bitch and that's alright with me as long as I'm the one you kiss  
I drink you (Drink you), eat you (Eat you), I dream and my love is on fire  
Look away, look away  
Who else you gonna find with dreams like mine?  
Just like the ocean needs the water and the sea needs a breeze  
Baby, you need me (Baby, you need me

Now baby, if you kick me out now, if you kick me out now, who's gonna wear your tattoo?  
Who's going crazy for you?  
Call you ninety times a day?  
Who's gonna freak you, freak you like the way... ?  
And who gonna drive you home tonight?

Yes you do  
You need me, yes you do  
Yes you do  
Yes you do  
Just like the ocean needs the water and the sea needs a breeze  
Baby, you need me  
Just like the ocean needs the water and the sea needs a breeze  
Baby, you need me

You need me  
Yes you do  
You need me
