

Sweet Baby

Macy Gray

Many times I've been told that I should go
But they don't know what we got baby
They may not see the love in you
But love I do and I'll stay right here

Hmm, sweet, sweet baby,
Life is crazy but there's one thing I am sure of
That I'm your lady, always baby
And I'll love you now and ever

Sugar wishes don't change what is real
Or how it feels in the bad times
For whatever he is, he is mine
All the time and we're gettin' by with our true love

Hmm, sweet, sweet baby
Life is crazy but there's one thing I am sure of
That I'm your lady, always baby
And I'll love you now and ever

Aah,, sweet, sweet baby
Life is crazy but there's one thing I am sure of
See I, I'm your lady, always baby
And I'll love you now and ever

Baby, who'd have ever thought (My sweet),
Just the two of us (My sweet) that we'd come this far together
Baby, so I'm here to stay (My sweet),
'Cause without you baby (My sweet) I can't go any further, see

Hmm, sweet baby,
Life is crazy but there's one thing I'm sure of
See I-I-I'm your lady, always baby, baby
And I'll love us now and ever, now and ever, my sweet, sweet baby
Live is so sweet with you
I know I'll love him true, sweet with you, sweet love, sweet love,
Yeah you've got to hang on (Sweet, sweet baby)
All that love and, you know,
Always, always, with you, with you, my, my, my, my, my, my, my, my
sweet, sweet, sweet baby
One thing, one thing, please be true
