

The Comeback

Macy Gray

Hey big rocker, could you shine the light?
I have lost track of what's wrong from right
It's days like these that I wanna die
It's days like days like these that make me cry all day
And I have to say that I don't know where I'm going
And maybe if I had more money, maybe if I was more pretty...
I'm going in circles when it hits me that I don't, I don't know where
I'm going (Where I'm going)
All you big rockers, stay hot, hot, hot
Look at how they leave you when you're not, not, not
And hey baby, if I comeback (I comeback), would you take me back (Take me back) if I told you that I haven't changed a bit?
Baby, would you go for it? (Would you go for it?)
Would you take me back if I told you that?
Oh baby

Hey big world, it's me again
I'm coming way back to be big again
Gonna make it like it was in the beginning 'cause I'm missing all my fair-weather friend
And since you let me go, wanna let you know that I don't know where I'm going
And maybe if you knew about my history you wouldn't 've been such a big bitch to me
I'm blinded by the light when I finally see that I don't, I don't know where I'm going (Where I'm going)
And all you big rockers, stay hot, hot, hot
Look at how they leave you when you're not, not, not

And hey baby, if I comeback (I comeback), would you take me back (Take me back) if I told you that I haven't changed a bit?
Baby, would you go for it? (Would you go for it?)
Would you take me back if I told you that?
Oh baby

Maybe if I had more money, maybe if I was more pretty...
I'm going in circles when it hits me that I don't, I don't know where I'm going
But I do know that I'm here to stay
Been up, down and sideways
No matter way I'll stay
I'm staying
(And hey baby) Comeback (If I comeback)
Take me back (Take me back) if I told you that I haven't changed one bit?
(Would you go for it?) Would you go for me?
Take me back
Oh baby

(If I comeback)
(Take me back) Take me back
Yeah, I wanna tell you that

(Would you go for it?) Would you go for me and take me back?
Oh baby

Oh baby
Oh baby
