

## Tuesday Heartbreak

Macy Gray

Tuesday heartbreak seem to be unfair,  
Cause you say that you found another man,  
Tuesday break heart, guess you just don't care,  
Cause you found you another man.

I want to be with you when you're all alone,  
I want to be with you when you feel you got another man,  
You see, baby, it's all alright.

I wanna be with you when the nighttime comes,  
I wanna be with you when the daytime comes,  
I wanna stay, oh baby, lemme, baby with you.

Tuesday heartbreak seem to be a drag,  
When you know that you love her especially,  
Catch up baby, catch up with my dreams,  
Maybe then I can see you all the time.

But I wanna be with you when the nighttime comes,  
I wanna be with you when the daytime comes,  
I wanna stay and never go away,  
Oh baby, it's alright.

I wanna be with you when the nighttime comes,  
I wanna stay with you till the morning runs,  
I wanna, baby, baby, baby, it's alright.

I wanna be with you when the nighttime comes,  
I wanna be with you till the daytime comes,  
Oh baby, get away, alright.
