

# I Don't Know Anything

Mad Season

I don't know anything  
I don't know anything  
I don't know anything  
I don't know who I am

I don't know anything  
I don't know anything  
I don't know anything  
I don't know who I am

Why we have to live in so much hate everyday? Oh yeah  
Why the fighting and the coming down, am I sane?  
I don't know, yeah

I don't know anything  
I don't know anything  
I don't know anything  
I don't know who to be

I don't know anything  
I don't know anything  
I don't know anything  
I don't know who I am

Why we have to live in so much hate everyday? Oh yeah  
Why the fighting and the coming down, am I sane?  
I don't know  
When the teacher put the ruler down on my hand  
I laugh!  
Cross my heart and hide reliever in trails of blood,  
I love?!?

I don't know anything  
I don't know anything  
I don't know anything  
I don't know who I am

I don't know anything  
I don't know anything  
I don't know anything  
I don't know who to be

Why we have to live in so much hate everyday? Oh yeah  
Why the fighting and the coming down, am I sane?  
I don't know  
When the teacher put the ruler down on my hand  
I laugh!  
Cross my heart and hide reliever in trails of blood,  
I love?!?
