

Apes On Parade

Mad Sin

salute the apes on parade

well there is something wrong with you, out of the blue
you jump around like a mad girl in (hooves?)
there's something wicked in your head, but it ain't sad,
i love you more and more and (then?) you're really bad
you wanna rip my throat infect me with your blood soon ...
yeah

ape creator, violator
violator, ape creator
gonna lose control, salute the apes on parade

well there the fire in my soul, and it glows, the ape in me wil
l make you lose control
i wanna rip your throat infect you with my blood
soon you'll be a (member?) start to show
yeah

ape creator, violator
violator, ape creator
gonna lose control, salute the apes, hail the apes, salute the
apes on parade

evolution brought it back, we go apeshit we will snap, ape atta
ck

ape creator, violator
violator, ape creator, yeah, yeah, yeah
ape creator, violator
violator, ape creator
gonna lose control, salute the apes on parade

hey, can you hear the trampling of our feet?
echoing trough the valleys of the concrete jungle,
we're ready to stampeed over the achievements and monuments of
modern man,
you've ignored the warning signs and symptoms for too fucking l
ong,
and now you still haven't realised your time is up,
so here we stand, salute the apes, the apes, the apes on parade
