Apes On Parade

salute the apes on parade

well there is something wrong with you, out of the blue you jump around like a mad girl in (hooves?) there's something wicked in your head, but it ain't sad, i love you more and more and (then?) you're really bad you wanna rip my throat infect me with your blood soon ... yeah ape creator, violator violator, ape creator gonna lose control, salute the apes on parade well there the fire in my soul, and it glows, the ape in me wil 1 make you lose control i wappa rip your throat infect you with my blood

i wanna rip your throat infect you with my blood soon you'll be a (member?) start to show yeah ape creator, violator violator, ape creator gonna lose control, salute the apes, hail the apes, salute the apes on parade

evolution brought it back, we go apeshit we will snap, ape atta ck ape creator, violator violator, ape creator, yeah, yeah, yeah ape creator, violator violator, ape creator gonna lose control, salute the apes on parade

hey, can you hear the trampling of our feet? echoing trough the valleys of the concrete jungle, we're ready to stampeed over the achievements and monuments of modern man, you've ignored the warning signs and symptoms for too fucking l ong, and now you still haven't realised your time is up, so here we stand, salute the apes, the apes, the apes on parade

Mad Sin
