

## Ride This Torpedo

Mad Sin

You chose the road to take, don't you lose control x2  
We will ride this torpedo, untill the end x2

Don't forget I'm watching, don't you make no mistake  
Don't you try to fool me I can always spot a fake  
We will ride this torpedo, untill the end x2

Thousand miles of water my life is in your hands  
Flying over desert, my life is in your hands  
We will ride this torpedo, untill the end x2

I see the sun is shining, I feel the wind is blowing  
I feel the power's rising, I see your courage I going  
We will ride this torpedo, untill the end x2

We will ride, we will ride, will ride, we will ride this torped  
o, untill the end
