Underground

If life is down the line, you can feel the vibe of the undergro und No Christmas cards to send, no fortunes will be spent in the un derground Way down here it's hot, in my private lair I might lose my mind, but I don't care I'm true to my school, true to the underground It's a nameless day, but we're okay The underground is the place to stay Lost and found with no hope for tomorrow Goin' down? If you're looking for a name, cuz you're all alone just go unde

rground You can have a lot of fun if lady wicked your way comes in the underground Gotta get away from president hail We ain't no playing tricks, just give me fix Stimulate my brain oh yeah, I need the underground!

You want subterranean banana from your subterranean bwuana Where it's hot as hell, I can serve you very well It's a rumble in the jungle?

[Chorus 2x]
