

Stand Up NY

Madball

Stand up
New York
Hardcore
Show your pride
Stand up
New York
Hardcore
Be recognized
I'm in a New York state of mind
Our city, it's one of a kind
Stateside, or worldwide
We have love for you all
But I must pay my utmost respect
To the scene that started it all
Stand up
New York
Hardcore
Show your pride
Stand up
New York
Hardcore
Be recognized
Brooklyn are you with me?
Queens are you with me?
Strong Island are you with me?
The Bronx are you with me?
Manhattan are you with me?
Stand up
New York
