Bottles Away

We like to drink and we like to party The VCB always gets a bit naughty With the guiness in our hands and the buddah in our pants We're gonna have a dandy old time Seven PM, we're on our way to Lucky Baldwins Our pints are ready 'cause the bartender knows us Ryan lit up a joint and it stunk up my car Now we're tripping all the way to the bar

We're gonna get loose Till the sun comes up tomorrow morning We're gonna party all night long

We're gonna get loose Till the sun comes up tomorrow morning We're gonna party all night long

We like to drink and we like to party The VCB always gets a bit naughty With the guiness in our hands and the buddah in our pants We're gonna have a dandy old time Pass me another one The night has just begun Pass me the Augustijn and I'll be just fine If we don't kimp on the tip Not one little bit Cuco Maluco will keep our drinks Fresh like Pachuco

We're gonna get loose Till the sun comes up tomorrow morning We're gonna party all night long

We're gonna get loose Till the sun comes up tomorrow morning We're gonna party all night long

It's 2 AM and I can't walk straight Last call for alcohol, we'll be okay Last Hefeweizen, it's on the way We'll be okay, we'll be all right Yeah, yeah Yeah, yeah Yeah, yeah

We're gonna get loose Till the sun comes up tomorrow morning We're gonna party all night long
