

# Don't Worry

Madcon

Oh, we can own the night  
Don't worry 'bout a thing  
Don't worry 'bout a thing  
Don't worry 'bout a thing

I know we'll be alright  
Don't worry 'bout a thing  
Don't worry 'bout a thing  
Don't worry 'bout a thing

I'll take you to the future  
forget about the past  
You can keep all of your secrets  
I swear that I won't ask  
let go of all your troubles,  
I don't care where you've been  
the only thing that matters now  
is where the night will end

Them bright big lights are shining on us  
That beat so tight it makes you wanna  
get up get down like there's no tomorrow  
like there's no tomorrow  
like there's no tomorrow

Oh, we can own the night  
Don't worry 'bout a thing  
Don't worry 'bout a thing  
Don't worry 'bout a thing

I know we'll be alright  
Don't worry 'bout a thing  
Don't worry 'bout a thing  
Don't worry 'bout a thing

Oh, we can own the night  
Don't worry 'bout a thing  
Don't worry 'bout a thing  
Don't worry 'bout a thing

Let's get down to business  
and show me what you got  
just keep the record spinning  
the music never stops  
you wanna live forever  
and reach above the stars  
Let's take it to next level  
just light the space ship up

Them bright big lights are shining on us  
That beat so tight it makes you wanna  
get up get down like there's no tomorrow  
like there's no tomorrow  
like there's no tomorrow

Oh, we can own the night  
Don't worry 'bout a thing

Don't worry 'bout a thing  
Don't worry 'bout a thing

I know we'll be alright  
Don't worry 'bout a thing  
Don't worry 'bout a thing  
Don't worry 'bout a thing

Oh, we can own the night  
Don't worry 'bout a thing  
Don't worry 'bout a thing  
Don't worry 'bout a thing

On the rooftop  
Surrounded by the stars and the views hot  
Ain't nobody thinking 'bout what you got  
Everything's ours, wanna dip? Get a new spot  
Don't worry, don't worry  
The night never ends, no hurry no hurry  
Shorty look thick and the lines get blurry  
And the nights in your palm so we might get dirty  
DJ, let the beat play, make a heat wave, when you replay this  
Tonight we gone party like its d-day  
Young and free saying this the one on my CK shit  
The Moon is the light  
Sky is the ceiling  
The low is the base and the high is the feeling  
The world is the club, all in cause we can  
This' one for the books don't worry bout a thang

Oh, we can own the night  
Don't worry 'bout a thing  
Don't worry 'bout a thing  
Don't worry 'bout a thing

I know we'll be alright  
Don't worry 'bout a thing  
Don't worry 'bout a thing  
Don't worry 'bout a thing

Oh, we can own the night  
Don't worry 'bout a thing  
Don't worry 'bout a thing  
Don't worry 'bout a thing
