

# Say Yeah

Madcon

Put your hands in the air  
Put your hands in the air

Say yeah (yeah)  
Put your hands in the air and say yeah (yeah)  
I'm finally here  
Got my friends on my right  
We're gonna party tonight  
Say yeah

Let's ride tonight  
No matter what we bound to take flight  
Cause I'm feeling alright tonight  
I'm gonna do whatever I like  
If you came to party, I hope you got some shawties  
Cause I'm feeling like yeah tonight  
We're gonna start this party of right  
Everybody on the floor  
Looks like an ocean and I'm riding away  
'Til you trip and fall  
Closer to what you wanna throw on my way  
Cause she dress so hot  
Like the cause they love when we chase  
So we stay fly, so high like we can take you away

Got that spades of ace on it  
Texas Hold 'Em and we go all in  
Show me what you want, what and where  
Go harder, harder, but don't break in

Say yeah (yeah)  
Put your hands in the air and say yeah (yeah)  
I'm finally here  
Got my friends on my right  
We're gonna party tonight  
Say yeah

No cares, we in here  
Tonight we stay young forever  
Short days, long nights  
Sleep in 'til whenever  
Feel like I-I, feel like I-I  
Feel I just had the worst day ever  
Head out my-my, head out my-my  
Checks make this a night to remember  
Not only do I feel like I'm the shit, but it's so  
I'm doing extra, yes, I'm doing too much now  
We stunted hard on everyone in here, being bad and it shows  
Flashing out the bar so hard you're gonna need a raincoat, oh, oh

Got that spades of ace on it  
Texas Hold 'Em and we go all in  
Show me what you want, what and where  
Go harder, harder, but don't break in

Say yeah (yeah)  
Put your hands in the air and say yeah (yeah)

I'm finally here  
Got my friends on my right  
We're gonna party tonight  
Say yeah

You're rocking with a buckwild team  
So good even haters put their blocks on me  
I'm loving how we rock so free  
And I'm not afraid to fail cause it's not gon' be  
Dammit, I'm a lion  
Body full of scars, but I'm hard so ain't got cold feet  
Whatever, man, it's hot, don't sleep  
If you're good with it everybody rock on three

Put your hands in the air  
Put your hands in the air  
Put your hands in the air

Say yeah (yeah)  
Put your hands in the air and say yeah (yeah)  
I'm finally here  
Got my friends on my right  
We're gonna party tonight  
Say yeah
