

# Breakeven

Maddi Jane

I'm still alive but I'm barely breathing  
Just praying to a God that I don't believe in  
Cause I got time while he got freedom  
Cause when a heart breaks, no it don't break even  
His best days were some of my worst  
He finally met a girl who's gonna put him first  
While I'm wide awake, he's no trouble sleeping  
Cause when a heart breaks, no it don't break even

And what am I gonna do  
When the best part of me was always you  
And what am I supposed to say  
When I'm all choked up and you're okay  
And I'm falling to pieces  
I'm falling to pieces

They say bad things happen for a reason  
Well, no wise words gonna stop the bleeding  
Cause he's moved on while I'm still grieving  
Cause when a heart breaks, no it don't break even

And what am I gonna do  
When the best part of me was always you  
And what am I supposed to say  
When I'm all choked up and you're okay  
And I'm falling to pieces  
I'm falling to pieces  
I'm falling to pieces  
I'm falling to pieces

You got his heart and my heart and none of the pain  
You took his suitcase and I took the blame  
Now I'm trying to make sense of what little remains  
Oh, cause you left me with no love  
And no love to my name

I'm still alive but I'm barely breathing  
Just praying to a God that I don't believe in  
Cause I got time while he got freedom  
Cause when a heart breaks, no it don't break even  
No, it don't break even, no

And what am I gonna do  
When the best part of me was always you  
And what am I supposed to say  
When I'm all choked up and you're okay  
And I'm falling to pieces  
I'm falling to pieces, yeah, yeah, yeah  
I'm falling to pieces, oh I'm falling to pieces  
I'm falling to pieces
