## **That Should Be Me**

Everyboyd's laughin' in the world Rumors spreadin' 'bout this other girl Do you do what did when you did with me Does she love you the way I can Did you forget all the plans that you made with me 'Cause baby I didn't That should be me Holdin' your hand That should be me Makin' you laugh That should be me This is so sad That should be me That should be me That should be me Feelin' your kiss That should be me Buyin' you gifts This is so wrong I can't go on Until you believe that That should be me That should be me You said you needed a little time For my mistakes Funny how you used that time To have me replaced Did you think that I wouldn't see you Out at the movies What you're doin' to me You're takin' her where we used to go Now, if you're tryin' to break my heart it's working 'cause you know

That should be me Holdin' your hand That should be me Makin' you laugh That should be me This is so sad That should be me That should be me

That should be me Feelin' your kiss That should be me Buyin' you gifts This is so wrong I can't go on Until you believe that That should be me That should be me

## Maddi Jane

I need to know: Should I fight for love, Or disarm? It's getting harder to shield The pain in my heart That should be me Holdin' your hand That should be me Makin' you laugh That should be me This is so sad That should be me That should be me That should be me Feelin' your kiss That should be me Buyin' you gifts This is so wrong I can't go on Until you believe that That should be me That should be me Holding your hand Oh, and makin' you laugh Oh, baby That should be me, oh Givin' you flowers Talking for hours Yeah That should be me I never shoulda let you go I never shoulda let you go I never shoulda let you go, oh That should be me
