Dressed in sleeves of white  
Stand on  
Chests of heaving sighs  
Night trips

Stand on chests of heaving sighs  
Night trips, followed closely by

White sleeved, thick thieves hum

Swallowing words  
That stick in your lungs  
Find it all  
In a mess on the tables  
Are turning  
It sounds like you've said this a hundred times  
Each louder, more boring  
And high
