

# Once In A While

Madeleine Peyroux

From bad luck, I'm walkin' away  
I'm not gettin' stuck, I'm not gonna stay  
To good things, I'm movin' ahead  
I'm tired of dyin' an' I'm livin' instead

Once in a while I'll wake up  
Wonderin' why we gave up?  
But once in a while  
Comes and it fades away

The sun's up and lightin' the sky  
I never could see it, it just passed me by  
Good things keep movin' along  
I'm not lookin' backward for something that's gone

Once in a while I'll wake up  
Wonderin' why we gave up?  
But once in a while  
Comes and fades away

I don't know what love is? I'm selfish and lazy  
And when I get scared, I can act like I'm crazy  
When I think of your kisses, I'm still gonna smile  
I'm still gonna miss you once in a while

Once in a while I'll wake up  
Wonderin' why we gave up?  
But once in a while  
Comes and it fades away

Good things keep movin' ahead  
I'm tired of dyin', I'm livin' instead
