Madeon

If I fall  
Down on my knees  
Wondering for  
What we could be

If I could  
Try a little harder  
I would succeed (oh oh)  
I'd rather give up  
And be happy

I will come home  
I will come home  
I will come home in time  
I will go home back in part  
It's all I'm told, you've found the sun  
Oh, with our sleighs apart

If I could  
Try a little harder  
I could succeed  
I'd rather give up  
And be happy

I will come home in time  
I will go home back in part  
It's all I'm told, you've found the sun  
Oh, with our sleighs apart

I will come home in time  
I will go home back in part  
It's all I'm told, you've found the sun  
Oh, with our sleighs apart

I will go home  
I will go home
