

# Eyes Open

Madilyn Bailey

Everybody's waiting, everybody's watching Even when you're sleeping  
Keep your e-eyes open

The tricky thing is yesterday We were just children Playing soldiers,  
just pretending Dreaming dreams with happy endings

In backyards, winning battles with our wooden swords But now we  
've stepped into a cruel world Where everybody stands up Keep score

[Chorus] Keep your eyes open Everybody's waiting, for you to breakdown  
Everybody's watching, to see the fallout Even when you're sleeping, sleeping  
Keep your e-eyes open (3x)

So here you are Just steps ahead and staying on guard Every lesson  
forms a new scar They never thought you'd make it this far

But turn around Oh, they've surrounded you It's a showdown And  
nobody comes to save you now But you got something they don't Yeah  
you got something they don't You just gotta...

[Chorus] Keep your eyes open Everybody's waiting, for you to breakdown  
Everybody's watching, to see the fallout Even when you're sleeping, sleeping  
Keep your e-eyes open (2x)

Keep your eyes...

Keep your feet ready Heartbeat steady Keep your eyes... open

Keep your aim locked The night grows dark Keep your eyes... open

Keep your e-eyes open

[Chorus] Keep your e-eyes open Everybody's waiting, for you to breakdown  
Everybody's watching, to see the fallout Even when you're sleeping, sleeping  
Keep your eye, eyes open Keep your eyes open Keep your e-eyes open  
Keep your eyes open

Keep your e-eyes open
