Human - Christina Perri Cover

Madilyn Bailey

I can hold my breath I can bite my tongue I can stay awake for days If that's what you want Be your number one I can fake a smile I can force a laugh I can dance and play the part If that's what you ask Give you all I am I can do it I can do it I can do it But I'm only human And I bleed when I fall down I'm only human And I crash and I break down Your words in my head, knives in my heart You build me up and then I fall apart 'Cause I'm only human. I can turn it on Be a good machine I can hold the weight of worlds If that's what you need Be your everything I can do it I can do it I can do it But I'm only human And I bleed when I fall down I'm only human And I crash and I break down Your words in my head, knives in my heart You build me up and then I fall apart 'Cause I'm only human I can take so much 'til I've had enough But I'm only human And I bleed when I fall down I'm only human And I crash and I break down Your words in my head, knives in my heart You build me up and then I fall apart 'Cause I'm only human I'm only human
