## **I Need Your Love**

## **Madilyn Bailey**

I need your love I need your time When everything's wrong You make it right I feel so high I come alive I need to be free with you tonight I need your love I take a deep breath every time I pass your door I know you're here but I can't see you anymore And that's the reason you're in the dark I've been a stranger ever since we fell apart And I feel so helpless here Watch my eyes are filled with fear Tell me do you feel the same Hold me in your arms again I need your love I need your time When everything's wrong You make it right I feel so high I come alive I need to be free with you tonight I need your love I need your love Now I'm dreaming, will ever find you now? I walk in circles but I'll never figure out What I mean to you, do I belong I'm trying to fight this but I know I'm not that strong And I feel so helpless here Watch my eyes are filled with fear Tell me do you feel the same Hold me in your arms again I need your love I need your time When everything's wrong You make it right I feel so high I come alive I need to be free with you tonight I need your love All the years All the times You were never been to blame Now my eyes are open Now my heart is closing All the lies All the waste I've been trying to make it change Now my eyes are open

I need your love I need your time When everything's wrong You make it right I feel so high I come alive I need to be free with you tonight I need your love I need your love I need your love
