

# I Won't Give Up

Madilyn Bailey

When I look into your eyes It's like watching the night sky Or  
a beautiful sunrise But there's so much they hold And just like  
them old stars I see that you've come so far To be right where  
you are How old is your soul?

I won't give up on us Even if the skies get rough I'm giving yo  
u all my love I'm still looking up

And when you're needing your space To do some navigating I'll b  
e here patiently waiting To see what you find

'Cause even the stars they burn Some even fall to the earth We  
got a lot to learn God knows we're worth it No I won't give up

I don't wanna be someone who walks away so easily I'm here to s  
tay and make the difference that I can make Our differences the  
y do a lot to teach us how to use the tools, the skills we've g  
ot yeah we got a lot at stake And in the end, you're still my f  
riend at least we didn't tend for us to work we didn't break, w  
e didn't burn We had to learn how to bend without the world cav  
ing in I had to learn what I got, and what I'm not And who I am

I won't give up on us Even if the skies get rough I'm giving yo  
u all my love I'm still looking up I'm still looking up

I won't give up on us God knows I'm tough enough We got a lot t  
o learn God knows we're worth it

I won't give up on us Even if the skies get rough I'm giving yo  
u all my love I'm still looking up
