

Mirrors

Madilyn Bailey

Aren't you somethin' to admire?
'Cause your shine is somethin' like a mirror
And I can't help but notice
You reflect in this heart of mine
If you ever feel alone and
The glare makes me hard to find
Just know that I'm always
Parallel on the other side

'Cause with your hand in my hand and a pocket full of soul
I can tell you there's no place we couldn't go
Just put your hand on the glass
I'll be tryin' to pull you through
You just gotta be strong

'Cause I don't wanna lose you now
I'm lookin' right at the other half of me
The vacancy that sat in my heart
Is a space that now you hold
And tell me how to fight for now
And I'll tell you, baby, it was easy
Comin' back into you once I figured it out
You were right here all along

It's 'cause you're like my mirror
My mirror staring back at me
It's 'cause you're like my mirror

Aren't you somethin', an original
Cause it doesn't seem merely assembled
And I can't help but stare, cause
I see truth somewhere in your eyes
I can't ever change without you
You reflect me, I love that about you
And if I could, I
Would look at us all the time

With your hand in my hand and a pocket full of soul
I can tell you there's no place we couldn't go
Just put your hand on the glass
I'll here tryin' to pull you through
You just gotta be strong

'Cause I don't wanna lose you now
I'm lookin' right at the other half of me
The vacancy that sat in my heart
Is a space that now you hold
And tell me how to fight for now
And I'll tell you, baby, it was easy
Comin' back into you once I figured it out
You were right there all along

It's 'cause you're like my mirror
My mirror staring back at me
I couldn't get any bigger
With anyone else beside of me
And now it's clear as this promise

That we're making
Two reflections into one
'Cause it's like you're my mirror
My mirror staring back at me, staring back at me

Yesterday is history
Tomorrow's a mystery
I can see you lookin' back at me
Keep your eyes on me
Baby, keep your eyes on me

'Cause I don't wanna lose you now
I'm lookin' right at the other half of me
The vacancy that sat in my heart
Is a space that now you hold
And tell me how to fight for now
And I'll tell you, baby, it was easy
Comin' back into you once I figured it out
You were right here all along

It's 'cause you're like my mirror
My mirror staring back at me
I couldn't get any bigger
With anyone else beside of me
And now it's clear as this promise
That we're making
Two reflections into one
'Cause it's like you're my mirror
My mirror staring back at me
