

## Mirrors

Madilyn Bailey

Aren't you somethin' to admire?  
'Cause your shine is somethin' like a mirror  
And I can't help but notice  
You reflect in this heart of mine  
If you ever feel alone and  
The glare makes me hard to find  
Just know that I'm always  
Parallel on the other side

'Cause with your hand in my hand and a pocket full of soul  
I can tell you there's no place we couldn't go  
Just put your hand on the glass  
I'll be tryin' to pull you through  
You just gotta be strong

'Cause I don't wanna lose you now  
I'm lookin' right at the other half of me  
The vacancy that sat in my heart  
Is a space that now you hold  
And tell me how to fight for now  
And I'll tell you, baby, it was easy  
Comin' back into you once I figured it out  
You were right here all along

It's 'cause you're like my mirror  
My mirror staring back at me  
It's 'cause you're like my mirror

Aren't you somethin', an original  
Cause it doesn't seem merely assembled  
And I can't help but stare, cause  
I see truth somewhere in your eyes  
I can't ever change without you  
You reflect me, I love that about you  
And if I could, I  
Would look at us all the time

With your hand in my hand and a pocket full of soul  
I can tell you there's no place we couldn't go  
Just put your hand on the glass  
I'll here tryin' to pull you through  
You just gotta be strong

'Cause I don't wanna lose you now  
I'm lookin' right at the other half of me  
The vacancy that sat in my heart  
Is a space that now you hold  
And tell me how to fight for now  
And I'll tell you, baby, it was easy  
Comin' back into you once I figured it out  
You were right there all along

It's 'cause you're like my mirror  
My mirror staring back at me  
I couldn't get any bigger  
With anyone else beside of me  
And now it's clear as this promise

That we're making  
Two reflections into one  
'Cause it's like you're my mirror  
My mirror staring back at me, staring back at me

Yesterday is history  
Tomorrow's a mystery  
I can see you lookin' back at me  
Keep your eyes on me  
Baby, keep your eyes on me

'Cause I don't wanna lose you now  
I'm lookin' right at the other half of me  
The vacancy that sat in my heart  
Is a space that now you hold  
And tell me how to fight for now  
And I'll tell you, baby, it was easy  
Comin' back into you once I figured it out  
You were right here all along

It's 'cause you're like my mirror  
My mirror staring back at me  
I couldn't get any bigger  
With anyone else beside of me  
And now it's clear as this promise  
That we're making  
Two reflections into one  
'Cause it's like you're my mirror  
My mirror staring back at me
