

We Are Young

Madilyn Bailey

Give me a second I, I need to get my story straight My friends
are in the bathroom getting higher than the Empire State My lov
er she's waiting for me just across the bar My seat's been take
n by some sunglasses asking bout a scar, and I know I gave it t
o you months ago I know you're trying to forget But between the
drinks and subtle things The holes in my apologies, you know I
'm trying hard to take it back So if by the time the bar closes
And you feel like falling down I'll carry you home

Tonight We are young So let's set the world on fire We can burn
brighter than the sun

Tonight We are young So let's set the world on fire We can burn
brighter than the sun

Now I know that I'm not All that you got I guess that I, I just
thought Maybe we could find new ways to fall apart But our fri
ends are back So let's raise a toast 'Cause I found someone to
carry me home

Tonight We are young So let's set the world on fire We can burn
brighter than the sun

Tonight We are young So let's set the world on fire We can burn
brighter than the sun

Carry me home tonight Just carry me home tonight Carry me home
tonight Just carry me home tonight

The moon is on my side I have no reason to run So will someone
come and carry me home tonight The angels never arrived But I c
an hear the choir So will someone come and carry me home

Tonight We are young So let's set the world on fire We can burn
brighter than the sun

Tonight We are young So let's set the world on fire We can burn
brighter than the sun

So if by the time the bar closes And you feel like falling down
I'll carry you home tonight
