

Who You Are

Madilyn Bailey

I stare at my reflection in the mirror Why am I doing this to myself? Losing my mind on a tiny error, I nearly left the real me on the shelf No, no, no, no

Dont't lose who you are in the blur of the stars Seeing is deceiving, dreaming is believing, It's okay not to be okay Sometimes it's hard to follow your heart Tears don't mean you're losing, everybody's bruising, Just be true to who you are!

Brushing my hair, do I look perfect? I've forgotten what to do to fit the mold, yeah The more I try the less is working yeah yeah 'Cause everything aside me screams, "no, no, no, no"

Dont't lose who you are in the blur of the stars Seeing is deceiving, dreaming is believing, It's okay not to be okay Sometimes it's hard to follow your heart But tears don't mean you're losing, everybody's bruising, There's nothing wrong with who you are

Yes, no, he goes, fake shows Like "wow", just go, and leave me alone Real talks, real life, good love, goodnight, With a smile That's my own

Dont't lose who you are in the blur of the stars Seeing is deceiving, dreaming is believing, It's okay not to be okay Sometimes it's hard to follow your heart. Tears don't mean you're losing, everybody's bruising, Just be true to who you are! Yeah yeah yeah
