

River People

Madina Lake

I'll take your crystal ball and make this crystal clear,
that I won't stand back and I won't drown right here
I'll never wait, I'll make a million mistakes
but to be content is to be a disgrace

Restless, faceless, you've lost your mind
Faithless, tortured, you've lost your mind

They crawl in your head
They dig in your bones
If you let them, they won't let go
They have no hope
They have no soul
If you let them then they'll take yours

You think it feels better on the other side
'cause their grass is green and your grass is diseased
every day drowns in lethargy
but to be content is to burn your wings

Faithless, tortured, you've lost your mind

They crawl in your head
They dig in your bones
If you let them, they won't let go
They have no hope
They have no soul
If you let them then they'll take yours

When you die you want the world
To remember you for who you really are
And when you die you want
to love yourself cause you'll be all alone

They crawl in your head
They dig in your bones
If you let them, they won't let go
They have no hope
They have no soul
If you let them then they'll take yours

It's all in your head
Don't fear the unknown
'Cause you'll let the unknown take control
So let yourself go
And let yourself grow
Don't you let 'em dig you a hole

Restless, faithless, you've lost your mind
Faithless, tortured, you've lost your mind
