

## Close Escape

Madness

That was a close escape  
Have to get a new hobby to relate  
Something less conspicuous  
Won't take up too much time  
Something less sadistic  
For what I've got in mind  
I won't be too persistent  
'Cause I'm not that way inclined

C that's the one for me  
Look, have you got any titties free  
What you do is find 5p  
415-1683 hello Miss Collins you'll not know me  
I'm in the undies business see  
Please, please can you tell me  
The size, how far from the knee

Oh dear, dear me, luck is running thine  
I'll take another name, I might have a win  
Got two more coins, I hope no-one thinks I'm dim

C that's the one for me  
Look and you're..... free  
See if she'll speak to me  
Hands are shaking eyes can't see  
Having trouble finding 5p  
217-1983 hello Miss Dickens you'll not know me  
I'm in the undies business see

Don't worry, that's nowt, here we go again  
Oi! no peeping, someone must take the hint  
Oh dear, dear me, luck is running thin

So please, please can you tell me  
The tits do feel real good to me  
In a naked mood  
Try to grin and bear with me  
Please don't think me rude  
I only hear, don't want to see

C that's the one for me  
That was quick, too quick for me  
Of that I can see  
What's your name, Mildred, well buggar me  
Sugar and milk in my tea  
No harm could be, well I'll see  
What's your hobby, just the same as me  
See you soon for tea

I'll give it one last chance  
I think you'll all agree  
I'm getting no game here, only lost 5p  
I'll flicker through the pages, nothing interests me  
I'll ring another number, make sure it's a she  
Here we go again, I'll give it third degree  
No harm's been done, yes I'm sure you'll all agree  
I'll take another name, I might have a win
