

Driving In My Car

Madness

1. I've been driving in my car,
It's not quite a jaguar
I bought it in primrose hill
From a bloke from brazil
It was made in fifty-nine
In a factory by the tyne
It says morris on the door, the g.p.o. owned it before
I drive in it for my job, the governor calls me a slob
But I don't really care,
Give me some gas and the open air

It's a bit old but it's mine, I mend it in my spare time
Just last week I changed the oil, the rocker valves and the coil
Just last week I changed the oil

Last week it went round the clock, I also had a little knock
I dented somebody's fender, he learnt not to park on a bender, ha ha ha

2. I've been driving in my car,
It don't look much but I've been far
I drive up to Muswell hill,
I've even been to Selsey bill
I drove along the a-45,
I had her up to 58
This copper stopped me the other day, you're mistaken what could I say
The tyres were a little worn, they were o.k., I could have sworn
I like driving in my car,
I'm satisfied I've got this far

I like driving in my car,
It don't look much but I've been far
I like driving in my car,
Even with a flat tyre
I like driving in my car,
It's not quite a jaguar
I like driving in my car,
I'm satisfied I've got this far
