

# Driving In My Car

Madness

1. I've been driving in my car,  
It's not quite a jaguar  
I bought it in primrose hill  
From a bloke from brazil  
It was made in fifty-nine  
In a factory by the tyne  
It says morris on the door, the g.p.o. owned it before  
I drive in it for my job, the governor calls me a slob  
But I don't really care,  
Give me some gas and the open air

It's a bit old but it's mine, I mend it in my spare time  
Just last week I changed the oil, the rocker valves and the coil  
Just last week I changed the oil

Last week it went round the clock, I also had a little knock  
I dented somebody's fender, he learnt not to park on a bender, ha ha ha

2. I've been driving in my car,  
It don't look much but I've been far  
I drive up to Muswell hill,  
I've even been to Selsey bill  
I drove along the a-45,  
I had her up to 58  
This copper stopped me the other day, you're mistaken what could I say  
The tyres were a little worn, they were o.k., I could have sworn  
I like driving in my car,  
I'm satisfied I've got this far

I like driving in my car,  
It don't look much but I've been far  
I like driving in my car,  
Even with a flat tyre  
I like driving in my car,  
It's not quite a jaguar  
I like driving in my car,  
I'm satisfied I've got this far
