

## Night Boat To Cairo

Madness

It's just gone noon half past monsoon  
on the banks of the river Nile  
here comes a boat only half afloat  
oarsman grins a toothless smile

Only just one more to this desolate shore  
last boat along the river Nile  
doesn't seem to care no more wind in his hair  
as he reaches his last half mile

The oar snaps in his hand before he reaches dry land  
but the sound doesn't dampen his smile  
just pokes the wet sand  
with an oar in his hand

floats off down the river Nile  
floats off down the river Nile

Night boat  
Night boat to Cairo!  
Night boat to Cairo!
