

# Shut Up

## Madness

1. I tell you I didn't do it  
'Cause I wasn't there  
Don't blame me, it just isn't fair  
You listen to their side  
Now listen to mine  
Can't think of a story  
Sure you'll find me sometime

R: Now pass the blame and don't blame me  
Just close your eyes and count to three  
(one two three)  
Then I'll be gone and you'll forget  
The broken window, t.v. set

2. It wasn't me either, I'm just his mate  
He told me to stand here and watch the gate  
I've got a wife and three kids you know  
They'll tell you I'm straight, at least I think so  
I'm as honest as the day is long,  
The longer the daylight, the less I do wrong

R: Now pass the blame and don't blame me...

R: Now pass the blame and don't blame me...

R: Now pass the blame and don't blame me... (2x)
