

# So Much Trouble In The World

Madness

So much trouble in the world now  
So much trouble in the world now

Bless my eyes this morning  
Jah sun is on the rise once again  
The way Earthly things are going  
Anything can happen

You see men sailing on their ego trips  
Blast off on their space ship  
Million miles from reality  
No care for you, no care for me

So much trouble in the world now  
So much trouble in the world now  
All you got to do is give a little  
Give a little, give a little  
One more time YE-A-H! YE-AH!

So you think you have found the solution  
But it's just another illusion  
So before you check out your tide  
Don't leave another cornerstone  
Standing there behind  
We've got to face the day  
Ooh-we come what may  
We the street people talking  
We the people struggling

Now they are sitting on a time bomb  
Now I know the time has come  
What goes on up is coming on down  
Goes around and comes around

So much trouble in the world  
So much trouble in the world  
So much trouble in the world  
There is so much trouble  
There is so much trouble  
There is so much trouble  
There is so much trouble in the world  
There is so much trouble in the world
