

# The Communicator

Madness

I am the communicator  
I said I am the communicator

And I go yedee yedee yedee yedee yedee yedee  
And I go yedee yedee yedee yedee yedee yedee  
And I go yedee yedee yedee yedee yedee yedee  
And I go yedee yedee yedee yedee yedee yedee

Unconditional love nothing but reconciliation  
It happens  
Standing room now only for the Madness nation  
Gotta get a tickle on a ticket for the grand slam station  
All aboard for the Madness nation

I am the communicator  
I said I am the communicator

Let me tell you how I feel  
I feel I'm scarred for life

Yeah I am the communicator  
I said I am the communicator

Oh yesterday was history  
Tomorrow is a mystery  
Today is a gift that's why we call it the present  
All aboard aboard back of the big blue train relations  
Standing room now only for the Madness nation

I said I am the communicator  
I said I am the communicator  
Come on I am the communicator  
Oh yeah I am the communicator

Let me tell you how  
I feel I'm scarred for life
