

# Ain't No Big Deal

Madonna

Reach out, reach out (3x)

Ain't no big deal to say i love you still  
Call out my name, i'll be here  
Ain't no big deal to say my love is real  
When you reach out i'll be there

Please don't be afraid to look me in the eye  
Sad time is gone, i got no tears to cry  
So don't so say you don't know i'm right  
When i say we'll get by

Ain't no big deal to say i love you still  
Call out my name, i'll be here  
Ain't no big deal to say my love is real  
When you reach out i'll be there

Nobody makes me feel the way that you do  
Night time's such a thrill when i spend it with you  
Now ask me what is on my mind  
So i can tell you true

Ain't no big thing, uh, yeah

Reach out, reach out (5x)

Reach out, reach out, yeah (2x)

Oww

Ain't no big thing, uh, uh, uh, uh, uh  
Ain't no big thing, uh, uh, uh, uh, uh

Ain't no big deal to say i love you still  
Call out my name, i'll be here  
Ain't no big deal to say my love is real  
When you reach out i'll be there

Got love for you so strong it's making me high  
Don't know what i'll do if you won't give it a try  
So now's the time to make it clear  
Let me show you why

Aint no big deal to say i.... love you still

Ain't no big deal, uh, uh, uh, uh, uh  
Ain't no big thing, uh, uh, uh, uh, uh

Just reach out  
I'll be there (2x)  
I'll be there, yeah (3x)

Reach out, reach out  
Reach out, reach out  
Reach out, reach out  
Reach out
