

Cherish

Madonna

1. So tired of broken hearts, of losing at this game
Before I start this dance I take a chance in telling you
I want more than just romance
You are my destiny, I can't let go baby
Can't you see
Cupid please take your aim at me

R: Cherish the thought
Of always having you here by my side, oh baby
Cherish the joy you keep bringing it into my life
Oh cherish your strenght
You got the to power to make me feel good, oh baby
Perish the thought of ever leaving never would

2. I was never satisfied with casual encounters
I can't hide the need for two hearts that bleed with burning love
that's the way it's got to be
Romeo and Juliet, they never felt
this way I bet
So don't underestimate my point of view

R: Cherish the thought...

I was never satisfied with casual encounters

*: Who? You! Can't get away, I won't let you
Who? You! I could never forget to
Cherish is the word I use to remind me of your love

Romeo and Juliet, they never felt this way I bet
So don't underestimate my point of view

*: Who? You! Can't get away...

R: Cherish the thought...

Give me strenght
Give me joy my boy
I will always
Cherish you
