

# Crazy For You

Madonna

1. Swaying room as the music starts  
Strangers making the most of the dark  
Two by two their bodies become one  
I see you through the smokey air  
Can't you feel the weight of my stare  
You're so close but still a world away  
And what I'm dying to say, is that

R: I'm crazy for you  
Touch me once and you'll know it's true  
I never wanted anyone like this  
It's all brand new, you'll feel it in my kiss  
I'm crazy for you, crazy for you

2. Trying hard to control my heart  
I walk over to where you are  
Eye to eye we need no words at all  
Slowly now as we begin to move  
With every breath I'm deeper into you  
Soon we two are standing still in time  
But if you read my mind, you'll see

R: I'm crazy for you...

\*: When you know it's true, you know I'm crazy for you  
And it's all brand new, you know I'm crazy for you  
When you know it's true  
I'm crazy for you, crazy for...
